

Looking for a way to support Refugees and Asylum Seekers? Become a Community Befriender Scheme (CBS) Volunteer!

Many Refugees and Asylum Seekers come to Australia as strangers separated from their culture, their language and often their family and friends.

Anglicare's CBS Volunteers provide companionship to Refugees and Asylum Seekers who may be experiencing social isolation and loneliness as they adjust to life in a new country.

What's involved?

- Meet twice a month for 6 months
- Accompany Refugees and Asylum Seekers in the community
- Help build their confidence and social skills
- Invite them to church
- Grab a coffee together or go to the movies
- Share the gospel when opportunities arise
- Be a friend
- Training provided

Provide Christian Care

This is a great opportunity to show the love and acceptance of Jesus to others also made in the image of God.

We love because he first loved us. 1 John 4:19
